

Digital ABS AOS Caliper

Constant Measuring Force, 0-180mm

Item number: 573-191-30

Description

- The ABSOLUTE Digimatic calipers have a load cell and help you measure elastic workpieces. They offer you the following benefits:
- Due to their low and constant measuring force these calipers are ideal for measuring elastic workpieces such as plastic and rubber parts that standard calipers cannot measure accurately.
 - Large character height (alleviation of fatigue with the high-contrast LCD)
 - The ABS (ABSOLUTE) scale requires no origin setting after power-on and also has no limit to response speed.
 - Extraordinary battery life

Features

Max. Permissible Error E MPE:	±0,05 mm
Digital step:	0,01 mm
Mass:	253 g
Max. response speed:	Unlimited
Jaw retraction:	0.3 mm
Display:	LCD, character height 9 mm
Delivered:	In a case, including 1 SR-44 battery
Battery life:	Approx. 18000 hours
ORIGIN (ABS-Zero):	Yes
ON/OFF:	Yes
ZERO/ABS:	Yes
Low voltage alarm:	Yes
Data output:	Yes

Accessories

Optional accessories:

	Digimatic Cable, Straight, Data Button, 1m 959149 Suggested retail price: 43.00 €*
